

# Jornada sobre Complementos Alimenticios

Workshop on food supplements

Madrid, 8 Marzo 2010

## PURPOSE OF THE WORKSHOP

The workshop aims to be a step forward in the harmonization of criteria regarding food supplements.

- Sharing national approaches for the application of Directive 2002/46/EC
- Discussing the use of Community legal instruments for food supplements risk management.
- Clarifying the impact of Regulation (EC) N° 764/2008, in the marketing of food supplements composed of substances other than vitamins and minerals.
- Promoting transparency and sharing experiences within Member States in this field.
